The FTZ application has been modernized for a better user experience and more efficient way to access public information.

This guide outlines how to access the public information available in the FTZ application.

Users of the Public can access:

- Zone & Site Information
- Federal Register (FR) Notices
- Production Database
- Search by Keyword

Navigation

[Click here](#) to access the Online FTZ Information System (OFIS).

The screenshot shows the top navigation bar of the International Trade Administration website. It includes the ITA logo, a search bar, and several menu items: "For U.S. Businesses", "For International Businesses", "About ITA", and "Contact Us". Below this is a secondary navigation bar with "Export Solutions", "Research Center", "Regulations & Agreements", "Resolve a Trade Problem", "Attend an Event", "News & Highlights", and "Let Our Experts Help". A "Sign in" link is located in the top right corner.

The main content area features a "Public Information" section with a left-hand navigation menu and a main content area. The left menu includes "Public Information", "Homepage", "Zone & Site Information", "Federal Register Notices", "Production Database", and "Search". The main content area has a "Public Information" header and a "Grantees and Operators" header. The "Public Information" section contains the following text: "Click on the 'Zone & Site Info' link under 'Public Information' on the left to access contact information, site lists and other information for each Foreign-Trade Zone. When you click on 'Federal Register Notices' a page will display that allows you to sort notices by company name, the year of publication or the zone number." The "Grantees and Operators" section contains the text: "Log in by clicking on the 'Sign In' link on top right corner to update your information or submit your annual report."

DEPARTMENT OF COMMERCE		
Foreign-Trade Zones Board		
(B-90-2013)		
Foreign-Trade Zone 1 and 111--New York, New York; Application for		
Merger and Reorganization Under Alternative Site Framework		
An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of New York, grantee of FTZ 1 and 111, requesting authority to reorganize under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR sec. 301.21(f)) and merge FTZ 1 and FTZ 111 under FTZ 1. The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the disposition of new zones or "super-zones." FTZ sites for operators/owners located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81j), and the regulations of the Board (15 CFR part 301). It was formally docketed on October 21, 2013.
